Re: The Registration fees of motor vehicles.

---

1. At present, motor lorries are subject to an annual registration fee ~~is~~ as follows:-

Lorries not let or plied for hire of carrying capacity not exceeding one ton.	Rs. 75/
-do- of carrying capacity of more than one ton.	Rs.150/

2. This registration fee was levied as under the Motor Vehicles ~~Act~~ Regulation, there was no other way of taxing these motor lorries. Under the Road Traffic and Taxes Regulation these lorries are subject to a road tax based on the unladen weight of the vehicle. This tax was to replace the present annual registration fees.

3 The levy of the Road Tax is being notified in the Gazette of this week. From the date this tax comes into force, lorries will be like other motor vehicles, subject only to the initial registration fee. The notification showing the registration fees for motor lorries revised as above, is submitted herewith. The registration fees are on the same scale as those that were in force prior to the levy of this annual registration fee. This notification is subject to previous publication.

This notification will be published in the Gazette of the 21st instant. ~~For~~ approval.
